About the Program

Uncover the most effective tax strategies specifically for dentists, to take care of your financial health in this easy-to-understand presentation provided by the co-authors, Mike Lakhani, Stive Farronato and Chris Molloy. *Secrets of the Wealthy Dentist* reveals fundamental tactics that can streamline your finances, align your dental practice with your life, and help you keep more of what you earn.

Course Learning Objectives

- Identify the top tax planning opportunities available today
- Compare different forms of compensation and their advantages
- Recognize income splitting opportunities with family members
- Develop tax efficient strategies for paying down personal or business debt
- Determine the most tax efficient method to sell a dental practice
- Develop the framework for achieving one's long term financial success
- Align your practice with your life and keep more of what you earn

About the Speakers

Mike Lakhani, Stive Farronato and Chris Molloy also publish *Tax Matters For Dentists*, a periodical with tax planning strategies and case studies. Mike Lakhani is a leader in the financial industry with over 25 years of specialized experience working with dental practices. Mike's expertise in tax planning, accounting and personal financial planning has provided dental professionals with a unique approach to achieving financial success. Stive Farronato and Chris Molloy have been members of the Lakhani team for over 15 years each, and together they are tax advisors to the dental community.

At TMFD, we immerse ourselves collaboratively in your business to create a game plan that gives you the freedom to grow. Our experts know the dental profession, so we can ensure that you have a plan that is optimized for your practice and personal financial needs.

Approved PACE Program Provider FAGD/MAGD Credit Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. 8/1/2011 to 7/31/2014
